Good Morning

I completed the edits/updates to my HoF case (P-20-167) from week of Feb 22 on Friday. Since CBI outlook continues to be down, I added the updated RA as well as a memo in the following CBI folder:

G > RAD > Human Health Prep files > SAT and Focus Prep > 2020 All Prep folder > 2020-11 November > 11-12-Scoping & RAC > RAC P-20-0167 Ex. 6 Personal Privacy (PP) DONE

Inside the folder please focus your attention to:

- "P-20-167 HLTH Risk Assessment_FINAL_update 3.5.21"
- "P-20-167 response to submitter memo"

I kept the updated RA in track changes so you could see all the changes I made, and so that you could accept if you agree. Let me know if you have any questions when you review.
